## LIKE FINDING MONEY

D. F. Davis Offers Popular Medicine at Half Price.

D. F. Davis, the popular druggist, is making an offer that is just like finding money, for he is selling a regular 50-cent bottle of Dr. Howard's celebrated specific for the cure of constipation and dyspepsia at half price. In addition to this large discount, he agrees to return the money to any purchaser whom the specific does not cure.

It is quite unusual to be able to buy fifty-cent pieces for a quarter, but that is what this offer really means, for it is only recently through the solicitation of Druggist D. F. Davis that this medicine could be bought for less than fifty cents. He urged the proprietors to allow him to sell it at this reduced price for a little while, agreeing to sell a certain amount. The result has justified his good judgment, for the sale has been something remarkable.

Anyone who suffers with headache, dyspepsia, dizziness, sour stomach, specks before the eyes, or any liver trouble, should take advantage of this opportunity for Dr. Howard's specific will cure all these troubles. But if by any chance it should not, D. F. Davis will return your money.

## MAIN STREET PROPERTY

At Auction Sale

Wednesday Afternoon at 4 o'clock, May 22nd, 1912.

Located at the corner of North Main and Blackwell streets and known as the Durkee property. This lot has a frontage on Main street of about 80 1/2 feet and extends back to the railroad. Also another parcel lying between the railroad track and the river on which the No. Barre fire station is located.

The building is two stories high and is occupied by tenant who uses part for a store; is leased for five years at \$30.00 per month. The land is occupied by the city and pays \$10.00 per month. This is a valuable corner and will undoubtedly soon be in demand for a business block. In the meantime, it will pay well. The lease has about four years longer to run and the property will be sold subject to it. For a satisfactory investment and one which will pay well and be perfectly safe, it is hard to equal this property.

It is to be sold without any reserve or limit as to price. It is owned by a non-resident who instructs us to sell. Sale will take place on the premises at 4:00 o'clock Wednesday afternoon. Take notice and remember that Barre city is going to boom; 250 additional members to the Board of Trade means big things for Barre.

## ABOUT THE STATE

Happenings of Interest From Different Sections.

Motorman George Warren and Charles Brown have been suspended by the Rutland Railway, Light & Power Co., pending an investigation of the recent accident at Castleton Corner, as one of these men was to blame.

Hardwick is trying to find a suitable name for its new lake, formed by the storage reservoir. It was decided at a meeting of the committee to leave it until June 1, until which time they expect the public will contribute.

Jesse Wilson is at his home in Hampton, N. Y., still suffering from an electrical shock he received while working at Southbury recently. Mr. Wilson was slating a roof when he began to slip and, to save himself, grasped an electric wire. He received a severe shock and others also did when they attempted to loosen his hold upon the wire. He was taken to Hampton and did not recover consciousness for some time.

Ira H. LaFleur, a Middlebury attorney, has notified the farmers in that vicinity who were patrons of the milk concern that went into the hands of a receiver last fall at Salisbury, that they would receive about 90 per cent of what was due them from the milk concern in about two weeks. At the time of the failure, it was estimated that patrons of the concern in that vicinity lost about \$6,000.

The selection of Brattleboro intend that such surveys of streets as may be made under their administration shall be permanently marked and will soon order about 2,000 granite posts averaging six inches square and from 30 to 36 inches in length. These posts will be set as fast as the engineers resurvey the streets and to do so by the selection, who are acting under authority of a resolution passed at the annual town meeting in March.

Andrew Hummer of Bennington is in a Troy hospital with his face badly cut and one eye so badly burned with slacking lime it is feared he will lose his sight. A Boston farmer happened to amuse the children of the Hummer family and others by putting unslacked lime and water in bottles and letting them explode and it was while young Hummer was showing a neighbor how to do it that the bottle exploded before he had time to throw it. A large portion of the slacking lime struck him in the face and the flying glass cut him badly. About an hour after this accident, an older brother fell from a load of straw and broke a rib.

The March term of Rutland county court, which closed recently, proved to be the least expensive of any for many years. The total cost to the state was \$2,979.91, while for the four terms in the two years preceding, the average aggregate expenses have been nearly \$5,000. Notwithstanding the small outlay there were more cases tried, more judgments rendered and more criminals sent to the state prison during the March, 1912, term than in any other term for a long period. The expenses of the recent term were divided as follows: Petit jurors, \$1,803.36; referees' and special masters' fees, \$119.43; witnesses fees in cases, \$387.73; stenographic reports, \$324; assistant judges' salaries, \$314.40.

## DEATH OF MRS. IRA MUNN.

Came from Ireland to America When 15 Years Old—Died in Stowe.

Waterbury, May 21.—The funeral services of Mrs. Ira Munn, who died in Stowe Wednesday, were held Sunday-morning at St. Andrew's church in this village yesterday afternoon. Rev. D. E. Cox officiating. The burial was in the cemetery at Duxbury Corners and the bearers were two sons and two sons-in-law, Matthew and William Munn of Saranac Lake, N. Y., F. S. Boardman of Stowe and Dr. C. M. Bugbee of this town.

Mrs. Ellen Mary (Sullivan) Munn, wife of Ira Munn, died in Stowe last Wednesday. Mrs. Munn had been in failing health from a general breaking down for several years. A change for the worse came about four weeks ago, and since that time she had rapidly failed. She was 72 years of age and was born in Ireland, coming to America when fifteen years of age. She met Mr. Munn at Fort Hamilton, N. Y., where he was serving in the United States regular army, and after his discharge they were married, Nov. 24, 1864, at Wilmington, Del., coming then to St. Andrew's church in Stowe, where they have since lived, except for a short residence in Saranac Lake, N. Y.

Besides her husband, Mrs. Munn leaves two daughters—Ellen, wife of Dr. C. M. Bugbee of this town; Susan, wife of F. S. Boardman of Stowe; and three sons, Albert B. Munn, William J. Munn and Matthew M. Munn of Saranac Lake, N. Y. A sister, Mrs. Susan McKee, lives in Germantown, Pa. There are seventeen grandchildren. During Mrs. Munn's 47 years' residence in Vermont, she was a devoted communicant of St. Andrew's church.
